# Scholarship Guidelines

### Amount Awarded:

Each year, the SCWBA Scholarship Committee awards scholarships (*Academic or Direct to Workforce*) valued between \$500 - \$1000 per recipient. \$1000 is the maximum scholarship awarded. Considerations are also available for students interested in applying for tools/trades equipment allowances if going directly into the workforce.

### Number of Scholarships:

The number of scholarships awarded vary each year and are dependent upon the number of applications received and monies available. The number of scholarships awarded will be up to the discretion of the SCWBA Scholarship Committee.

### Qualifications:

In order to qualify for an SCWBA scholarship, students must be able to demonstrate the following:

- Interest in pursuing a career in a building industry related field for all applicants
- Graduating High School Senior for all applicants
- Full Time Enrolled Student *Academic* or Full Time Employee in trades *Direct to Workforce*
- Minimum 2.5 GPA for *Academic* OR Letter of employment for *Direct to Workforce*

### Application Procedure:

Applicant must complete the attached SCWBA Scholarship Application and return it to the SCWBA Office by the due date designated on the application.

### Selection Procedure:

The SCWBA Scholarship Committee, as appointed by the current SCWBA president, will select recipient(s).

### Scholarship Administration:

In order to receive scholarship money, it will be up to the scholarship winner to present SCWBA with their first semester passing grades as well as a second semester schedule (*Academic*). For tools or direct to workforce you must submit a 90 day positive performance review and confirmation of 90 days employment in the trades to receive your award payment (*Direct to Workforce*).

This can be done via mail or email.
