Waukesha - Jefferson - Rock

September 7th - 19th, 2026
Janesville, Wisconsin

What is Acts of Courage?

Join us for Acts of Courage, our inaugural Rock County build event dedicated to honoring our military service members. Throughout one week, volunteers will come together at our Janesville build sites to take on the housing crisis impacting local families across our communities. Each volunteer shift will be captained by a different military service member that has been nominated by the community, bringing stories of duty, bravery, and resilience from those who have given so much for our country.

For People, Not Profit

Since our expansion into Rock County in 2025, Habitat for Humanity Waukesha - Jefferson - Rock has boldly committed to tackling affordable housing across a three-county region. While we're best known for building new homes, our Home Repair and Lead-Safe Homes Programs are focused on strengthening the entire community and protecting the homes that families depend on. Our mission has never been more critical, and we're not just envisioning change here in Rock County. We're building it.

How To Get Involved

- Volunteer as an individual or in a group
- Become a corporate sponsor
- Join Acts of Courage as an event chair
- Nominate a Rock County military service member to become a Build Shift Captain
