Local Builder Elected to Wisconsin Builders Foundation

Local Builder, Norm Paulson - President and CEO of Paulson Kimball Construction of Janesville, Wisconsin, has been appointed to serve as Trustee for Wisconsin Builders Foundation's Board of Trustees.

Janesville, WI, May 02, 2025

Norm Paulson serves as Director for Wisconsin Builders Association (WBA) on their 2025 Board of Directors, a role delegated to him by his local association, South Central Wisconsin Builders Association (SCWBA), and its 2025 Board of Directors. He has served in this specific capacity since 2021. Norm supports his community and the building industry by volunteering his time and resources to improving the industry's professional and political climates, and helping to sustain the various organizations he serves.

Norm and his team at Paulson Kimball Construction have been part of multiple revitalization projects, deeply and positively impacting their home community in Janesville over the years, including substantial contributions to the collaborative construction project at Marvin W. Roth Community Pavilion in Janesville. His leadership within SCWBA has directly contributed to success with other local programs such as SCWBA's education programs, trades events, community impact projects, and more.

Norm has equally impacted the growth and improvement of statewide initiatives through his stewardship and involvement with WBA and Wisconsin Builders Foundation. Heidi Van Kirk, Executive Officer of SCWBA, states "Norm is a vital member of our association, an incredible mentor, effective leader, and remarkable advocate for our industry and the communities for which we serve. We are proud of his accomplishments, excited for his appointment as Trustee, and applaud the dedication and vision he has for the foundation's future."

Serving as Trustee for Wisconsin Builders Foundation, Norm will be part of an important leadership group tasked with advancing the organization's mission which is "to promote the building industry as an excellent career choice, encourage on-going training for professionals in the industry, and offer scholarship opportunities to students in the building trades."

"To be entrusted with such an important responsibility is both a privilege and joy," said Norm Paulson. "I hope to contribute meaningfully through our shared efforts, nurturing all Wisconsin communities and the rising generation of professionals who continue to build them."
